

Volunteer Advisors to the Review

Are you autistic?

Do you have a learning disability?

Are you a carer for someone with a learning disability and autism who cannot communicate themselves?

The Review of the 2003 Mental Health Act for Learning Disability and Autism want to recruit volunteer advisors to join our **Advisory Groups**.

We are looking for Advisors with lived experience who can help us to carry out the Review properly.

Do you:

- Want to make a difference to a piece of work that matters to people across Scotland and will influence the law?
- Want to use your experience to help others to have a voice?
- Like working in a group with others?
