

# My Social Distancing Story

**A lot of people are talking about something called  
Coronavirus.**

**Everyone is working hard to feel safe and be healthy.**

**My school is closed right now.**

**My school is closed because it is being cleaned.**

**The Coronavirus germs spread VERY easily.**

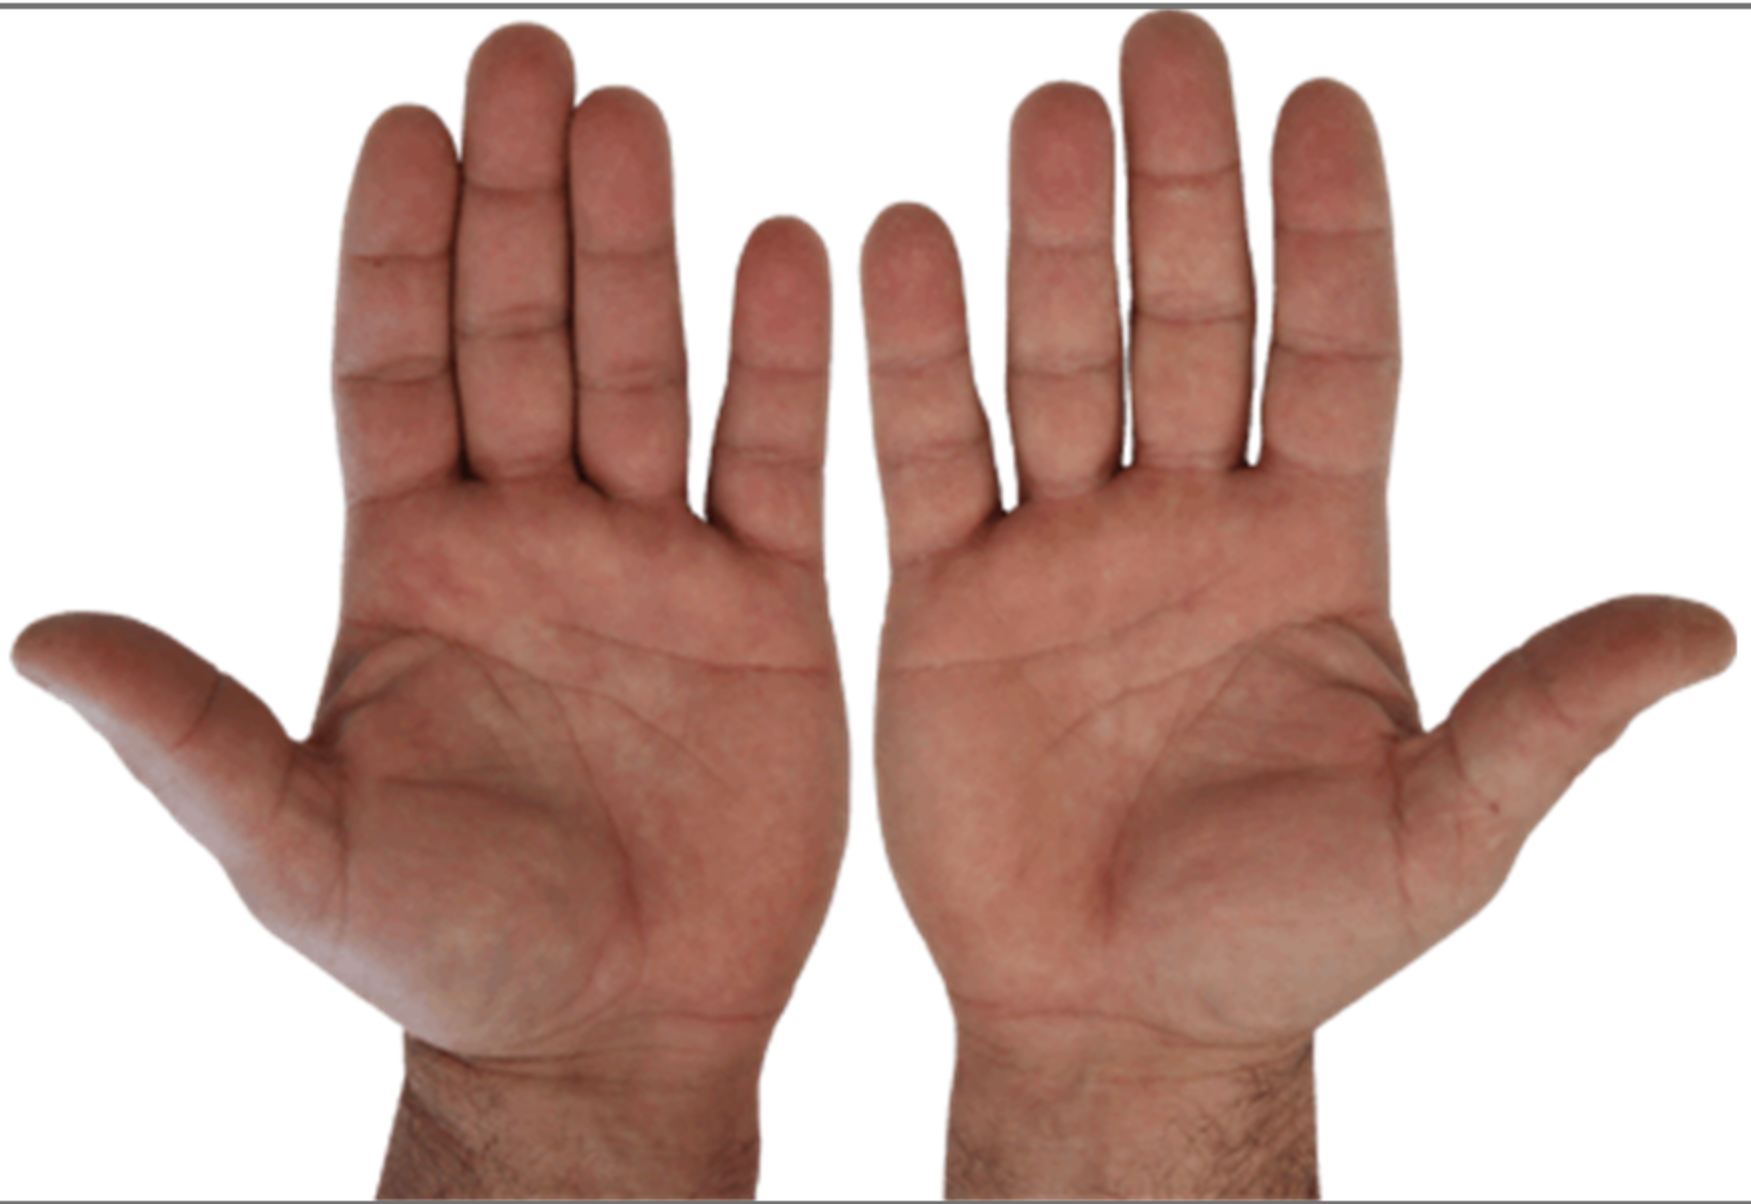

**I need to wash my hands A LOT so that I can stay healthy.**

**When I wash my hands, I can sing "Happy Birthday," or  
count to 20!**

**This will make sure my hands are clean and I stay healthy.**

Another thing I can do to stay healthy and safe is called **social distancing**.

**Social distancing** means I cannot be close to other people.

**Social distancing** also means that crowded public spaces like restaurants, libraries, theaters, and other places might be closed just like my school.

**Fun activities or events might be canceled. This is so we can all stay healthy and safe.**

**These are some things that I CAN do!**

**Social distancing might make me feel worried or sad.**

**If I feel this way, I can always talk to someone that will help make me feel better.**

**This will be over soon!**

**Social distancing** will help keep everyone happy,  
healthy, and safe!

**THE END**
